

Monthly workshop of the Equipex (French Excellence Laboratory)
MATRICE and Programme 13-Novembre 2019-2020 theme:

« Memory, trauma, reconstruction »

Location : Université Paris I Panthéon-Sorbonne,
12 place du Panthéon, 75005 Paris
Schedule: 16h - 18h

The MATRICE equipment of excellence, a technological platform aimed at better understanding the link between individual and collective memory, the 13-November Programme, which is linked to it and focuses on analysing the memory of the attacks of 13 November 2015, and the French Institut National de l'Audiovisuel, a partner of both the Equipex and the programme, have been holding a monthly seminar for several years. In 2019-2020 it will focus on the triptych «Memory, Trauma, Reconstruction».
